Toying Around with Science - St. Margaret School-Narberth-Toying w/ Science - St. Margaret School - Narberth, PA

For Instructors: Please use this roster to take attendance each week. If a student is NOT at club but is on the roster, call the school office to help locate them immediately. We don't want a student going home on the bus when they should be at club. If a student attends club but is NOT on the class list, verify immediately with their parents to make sure they should be there. If so, get their name and phone number and contact Science Explorers at 610-816-5047 at the end of the club so we can register them and add their information to the roster. Thank you!

| Participant | Grade | Medical Info | Pick-up Authorization | Alternate Phone | Parent Name | Phone | T-Shirt | Photo Permission |
|-------------------|-------|-------------------|---|-----------------|----------------------|--------------|---------|------------------|
